***Gauntlet* Board of Directors — Student-at-Large**

The Board meets once a month to ensure that members of the Gauntlet are running a smooth operation and are being fiscally responsible. In no way does the board deal with editorial content, it's simply making sure that the institution as a whole is being kept accountable. The board is also responsible for handling grievance issues and running the AGM in April. Candidates do not need any previous board or club experience, although it is encouraged.

Qualifications:

- Must be an undergraduate student
- Must be available to meet once per month for meetings
- Must be willing to sign a non-disclosure agreement

Please submit your cover letter, resume via email to the Board Chair: boardchair@thegauntlet.ca.
