### ***Gauntlet* Board of Directors — Student-at-Large, 3 positions**

The Board meets once a month to ensure that members of the *Gauntlet* are running a smooth operation and are being fiscally responsible. In no way does the board deal with editorial content, it's simply making sure that the institution as a whole is being kept accountable. The board is also responsible for handling grievance issues and attending the annual general meeting.

Candidates do not need any previous board or club experience, although it is encouraged.

Requirements:

- Current undergraduate student at the University of Calgary
- Must be available to meet once per month for meetings
- Must be willing to sign a non-disclosure agreement
- Must not be a current volunteer with the *Gauntlet* Editorial board, as this is imperative to keep the separation between editorial and the board of directors.

Please submit your cover letter, resume via email to the hiring committee:

*As this is a rolling hiring call, advertisement will be up until suitable candidates are selected.*
